I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of the District of Columbia and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. When To Do It

You may use a single FPCA to request ballots for all elections in a calendar year (for local and Federal offices).

(1) **To register and request an absentee ballot**, send a completed FPCA to the Board of Elections and Ethics postmarked not later than 30 days before the election. If your FPCA is not postmarked, your FPCA must arrive at the Board of Elections and Ethics not later than 23 days before the election.

If you are already registered and only wish to apply for an absentee ballot, send a completed FPCA to the Board of Elections and Ethics so that it arrives not later than 7 days before the election.

(2) Your voted ballot must be postmarked not later than midnight on the day of the election and must arrive not later than 10 days after the election.

Local election officials mail absentee ballots not later than 35 days before the election.

If you are outside the U.S. and have not received your ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instruction in Chapter 2, page 12.

Due to its Federal status, the District of Columbia does not send representatives to the U.S. Senate, however, it does participate in the election of the President and Vice President of the U.S. Additionally, a Delegate to the House of Representatives is elected.

C. Oath/Witness Requirements

Registration and voting materials are sworn to by the elector.

D. Electronic Transmission of FPCAs and Ballots

- The District of Columbia allows you to send the FPCA application for registration and absentee

ballot by fax. After faxing, submit the FPCA by mail.

- The District of Columbia permits faxing of the absentee ballot only when military service prevents the applicant from receiving the absentee ballot and returning the voted ballot within 45 days. An application shall contain the reason that the applicant's military service prevents the applicant from receiving and returning the voted ballot through the mail process. Upon approval of an application, the voter is assigned a fax authorization number and required to sign an affidavit to waive his/her right to a secret ballot.
- Except in the special circumstances outlined above, the District of Columbia does not allow you to receive and return the voted ballot by fax.
